Objective

I am seeking employment in Atlanta in a field that will leverage my diverse background. With experience in computer programming, business, team and project management, customer service, news and entertainment media, retail, and food services, I have the ability to adapt quickly to numerous responsibilities. My goal is to provide for myself and my family in a consistent and profitable field.

Achievements

- 1998 -Appointed Director of the Marshallville Public Library
-Developed custom Access Database for the Library
- 1999 -Began offering independent web design services
-Appointed Staff Member by TeenPact Director to teach in Atlanta
- 2001 -Incorporated my business in the state of Georgia
- 2002 -Accepted into Central Georgia Technical College
- 2004 -Founded and produced a 30-minute weekly TV show on FOX-24
-Received BrainBench certifications in English Vocabulary,
-Typing Speed & Accuracy, and HTML 3.2
- 2006 -Received BrainBench certifications in Written English,
-Telephone Etiquette, Business Concepts, Internet Security,
-Dreamweaver MX, and PHP 4
-My greatest achievement - my baby Tegan was born in August!
- 2007 -Appointed house musician at the Drip-Drop Café in Warner Robins

Experience

From living on a work crew in Russia to producing a medical TV show in Macon to aerial photography as a news reporter, my work experience is broad and notable:

Construction, Concrete
Plastering, Painting
Hospitality / Serving
Television Production
Music/Radio Production
Café Services

Childcare
Photography/Arts
Youth Education
Team Management
Pizza Delivery
Cattle Industry

Lawn Service
Computer Programming
Foreign Languages
Grocery Service
Surgical Technology
CG Modeling

Education

Grammar School - Homeschooled
High School - Homeschooled + GED for college entrance
College - Surgical Technology major at CGTC Macon
(Incomplete)
